WORK EXPERIENCE

Kickstart Global

London, UK | May 2026 – Aug 2026

Partnerships & Outreach Associate

- Managed outbound partnerships from sourcing to execution, securing 10 collaborations that drove 500+ attendees.
- Built an AI research and outreach system using Claude agents to generate role-specific messaging at volume, making personalised outreach 30% faster.

Times Network

Mumbai, India | Jan 2024 – Feb 2025

Business News Reporter

- Launched a new primetime show after identifying an unserved content gap, producing 10+ exclusive episodes.
- Eliminated a research bottleneck by building a Gen-AI research workflow, cutting turnaround time by 40%.
- Delivered 200+ live segments and interviewed 50+ C-suite executives, translating market data into commercial narratives for a 2M television audience on daily deadlines.

Blue Knight Capital

Mumbai, India | Sep 2023 – Jan 2024

GTM Associate

- Drove outbound client acquisition campaigns, adding 10 HNI clients and raising \$30K in capital within 60 days.
- Managed a \$110K client book, conducting company and investment analysis to support each allocation decision across 10+ client portfolios.

EXTRA CURRICULAR ACTIVITIES

Consulting Capstone Project

London, UK | Jun 2026 – Aug 2026

- Solved a GTM problem by recommending phased city-wise expansion and an omnichannel D2C strategy to grow business presence across India, projected to achieve \$1M MRR over 18 months.

Marketing Management GTM Project

London, UK | Oct 2025 – Nov 2025

- Designed a UK market-entry strategy using value proposition analysis, customer segmentation, competitive benchmarking, and channel design, culminating in a retail operations launch.

Finance Content Creation

Mumbai, India | Feb 2025 – Aug 2025

- Produced a finance-focused education series across YouTube that reached 300K+ cumulative organic views.
